THE BOER WOMAN.

Plain Enough, but Kissed From the Cradb The Boer woman is unlovable in appearance. Graces and modern accomplishments are w known to her. Handsome she is not, nor is her temper angelic. Her cooking would often kill an ostrich, and her voice

From the cradle to the grave she is kissed—by great-grandfather and great-grandmother, by her grandfather and grandmother; of course The Dramatic Club repeated the she is kissed by her parents. She is kissed by her grand uncles and aunts, by cousins male and female to the last degree of kinship. She Furniture. is kissed by the relatives of the pital. It was a grand success in every above and by their relatives. Her respect, the house being filled with a brothers and brothers-in-law, her sisters and sisters-in law and all their children kiss her. So does her sweetheart and all her female friends and acquaintances. Her husband and children and all her relatives and fe-

male friends, residing long or short

every day. Whether she and her husband are in good circumstances or not, he buys or sells nothing without asksanction. She commands her married son of 50 in the same way that The Christian Endeavor Society of she did when he was 5. He obeys calls her husband by his Christian name to her friends. To others she speaks of him as "the baas." Ask her if he is her "bass." "No," he an," she asks you, "ever had a mas-

ter? Do you take me for a Kaffir The Boer woman could not conceive the idea of having a master. In poverty most dire she has had from infancy at least one black servant. Like her mother before her, she would see her daughters perish The Glen Ridge Lawn Tenn's Club with hunger before she would allow the most high born dames in any land, and servants they shall never be. She detests the thought of her sons working for an employer, but

> often has to give way on that point. The Boer woman has often been held up as lazy, dall, stupid and dirty. A greater calumny has never been uttered against any woman. Her intense pride and love of independence make her appear so to the European lady or gentleman who knows nothing of the conditions of life that have formed her customs and made her what she is at present. The Boer woman, with her children, would retire to the most arid desert of Africa and live on air soonr than dwell at ease and in luxury

> slightest patronage extended to her. o matter from whom. She has inherited an innate love of bright colors and beautiful things. Then she cannot obtain these things, she is content to wear the saddest colored garments and not be troubled by the most sordid and dreary surroundings.

where she contrasted unfavorably

with her neighbors. She scorns th

She rules her "man" kind with a rod of iron. They do not know it, however, nor does she suspect it. All of them would take oath that the exact reverse was the case. Ask her to speak in church or on a platform anywhere, and she would imagine you to be crazy. "That is a man's business," she would say. Nevertheless Mrs. Boer would see it that her "man" or son would say in church or on a platform just exactly what she wished said. Woman's rights as understood by he American woman would be uterly incomprehensible to the Boer woman were they ever so clearly explained. - Boston Transcript.
